Dear Ms. Wright:

Re: Public Notice to Owners of Record, Mine Plan Permit, Centurion Mines Corporation, O.K. Copper Mine, M/001/039, Beaver County, Utah

This letter is submitted on behalf of Mrs. Beverly Bealer as a written protest of the Division of Oil, Gas and Mining's tentative decision to issue approval for Centurion Mines Corporation's permit application for the O.K. Copper Mine. This protest is in response to the March 21, 1997 letter from the Division to Mrs. Bealer informing her of Centurion's application and advising any aggrieved persons to file a written protest.

Mrs. Bealer's protest is based on the disputed ownership of the O.K. Copper Mine. The mine was formerly owned by Mrs. Bealer's late husband, Alfred W. Bealer. Following the death of Mr. Bealer, ownership of the mine was transferred to the personal representative of his estate who subsequently transferred ownership to Mrs. Bealer. Tax notices for the O.K. Copper Mine are sent to Mrs. Bealer and she has paid whatever taxes were due on the mine since she obtained ownership.

Please contact me if you have any questions about Mrs. Bealer's protest.

Very truly yours,

## AREAWIDE CLEARINGHOUSE COMMENTS

Centurion Mines Corporation is proposing to extract and process copper from State Trust lands located northwest of Milford C5½; Section 7, T.27, R111, SLM&B). The OK Mine will in phase #1, reprocess old mine tailings at the site. Phase two and three will involve the creation of, by stripping, a new expanded pit. Five County Association of Governments supports the development of natural resources. Centurion has applied for a conditional use permit from the Beaver County Planning Commission to begin operations. That permit, as of March 27, 1997 had not been issued; therefore, the application is conditional upon being issued a conditional use permit from Beaver County. (Robert Hugie)
